4.

Please read the instructions and look at the pictures before attaching the ProClip.

1. Use the enclosed alcohol pad to clean the area where the ProClip is to be installed. Peel off the adhesive tape cover on the ProClip. Press the thin upper angled edge of the ProClip into the upper seam between the center console panel frame and the coin box top.

2. Flex the ProClip together so the lower notched edge rests over the bottom front edge on the frame surrounding the coin box and release the tension so the ProClip holds in the opening.

3 and 4 The ProClip is in place.
