DEFA Termini™ extension cable

DEFA Termini™ extension cable makes the installation easy and faster. This cable consists of a soft and armoured end. The armoured end got the DEFA PlugIn contact (A) and the soft end got a new and small Termini™ plug (B) to be fitted directly to the Termini™ interior heaters.

DEFA Termini™ extension cable is available in length of 1,75m and can be used for the DEFA Termini™ interior heaters who got the proper Termini™ plug only.

DEFA AS is conforming to the requirements of both ISO 9001-2008, ISO 14001:2004 and OHSAS 18001:2007. In addition to this, our engine heaters and cables are conforming to the requirements of ISO/TS 16949:2002.

Item number

DEFA no: 460860 (1,75m) Weight: 250 gram
Box: Single or 22-pack.
